# The Greyhound 1951

**Annual Publication  
of  
Handley High School  
Senior Class**

## **Foreword**

To set down in a graphic record the immeasurable tension, the uncontrollable excitement of those football and basketball games, the clamor and exuberance of the pep rallies, the happiness of having friends to share your activities, and the sorrow felt only once as you don your cap and gown to leave behind you your happiest years, is our aim.

We hope this annual will become a perpetual record of some of the happiest years of your lives, years which cannot be re-lived. If, as you turn the pages of this yearbook, you can re-live a few treasured moments of the excitement, clamor, happiness, and sorrows which came our way in the years 1953-54, we have accomplished our purpose.

## Our Favorite

To be a leader in the school one must possess many admirable qualities. Because of your patience, sympathy, and understanding; because of your unfaltering leadership; because of your inspiring word when we were discouraged; because of your sportsmanship on and off the field; and because of your friendship—because you are an exceptional leader—we, the Seniors of 1954, dedicate this edition of The Greyhound to you, COACH GEORGE MITCHAM.

# Faculty

## Our Principal

The product of our Handley High School is young citizens learning to grow by adjusting to life's necessities and opportunities. As we present with justifiable pride our "1954 Model of Citizenship" in this year's graduating class, we stamp upon you our confident approval, charging each of you to unflinchingly accept and fulfill every responsibility encountered. Sincere good wishes—

Luther T. Scarborough  
Principal  
A. B., M. A., T. C. U.

Coaches George  
Mitcham and

## COACHES

The Greyhounds were fortunate to have two capable coaches to lead the boys on and off the field. Through such inspiration, the Greyhounds could not fail to win. Coach Mitcham has been in Handley since 1948 when Handley last won a district championship. He took the head coaching reins and produced the Greyhound District Champs of 1953. Coach Mitcham was assisted by his new assistant Coach Pierce Scott. Coach Scott came to us from Port Arthur and is well liked by everyone. We are proud of our fine coaches and proud to say we played under them.

# Summary of 1953 Football Season

DOYLE LEE

## Handley 0—Decatur 9

A green inexperienced Greyhound team took to the field against Decatur in the inaugural game of the 1953 season. Also making his debut as head football coach, along with his new assistant, Pierce Scott, was George Mitcham. The Greyhounds played hard but came out on the short end of the score, 0-9.

LARRY FLETCHER  
Letterman '52, '53

## Handley 34—Nocona 7

The Greyhounds roared back from their loss to Decatur and smashed Nocona 34-7. Irby Johnson scooped up a blocked punt and ran the remaining twenty yards for the first touchdown. After this the Greyhounds couldn't be stopped.

BOBBY LEACH

## Handley 20—Bowie 7

Again the Greyhounds took the field with the tag of underdog pinned on them. But the Greyhounds, through the brilliant playing of Bob Leach, Standley Scott, and William Smith, showed they were destined to come out the winner again. The Jackrabbits had a great team but Handley's determination won out.

## Handley 0—Stephenville 12

The following week Greyhounds traveled to Stephenville to play the Stephenville Yellow Jackets. Though the Greyhounds played hard they could not cross the goal line.

DURWARD CASH

### Handley 7—Birdville 6

The next game opened the fight for the district crown. As traditional, Handley opened the fight against Birdville and produced one of the most exciting and brilliant performances of the season. The Greyhounds with their never say die determination refused to be stopped by the tough Buffaloes. Leach scored in the last 54 seconds to tie the score and Smith kicked the goal to put Handley ahead 7-6. Birdville is still crying.

JIM CRESWELL  
Letterman '53

### Handley 20—Northwest 6

"If we can win this one we'll be on our way" were the words of our Coach Mitcham as the Greyhounds took the field against a powerful Northwest team. This game was to decide the lead in the district. Handley was behind the first half 0-6. The ice was broken when Polk went over left tackle on the first play of the second half and the ball was carried to the Northwest 10 yard line. Three plays later Polk scored and the Greyhounds were on the way.

### Handley 27—Brewer 12

The Greyhounds were in undisputed first place and were determined to stay there. Doyle "Crazy Legs" Lee opened the scoring against Brewer when he took a hand-off from Barton and went 48 yards around right end to score. The see-saw battle was fought hard by both teams with Handley coming out on top 27-12.

### Handley 35—Lake Worth 14

The next week found Handley in a non-conference tussle with Lake Worth. The Greyhounds played outstanding ball again and smothered the Bullfrogs 35-14. Smith kicked 5 out of 5 extra points.

JOHN PETERS  
Letterman '53

### Handley 33—Diamond Hill 6

When the Greyhounds kicked off to Diamond Hill they were playing for a clear title with no plans to share it with Birdville. The Greyhounds had a clear district record after defeating Diamond Hill 33-6. Diamond Hill's Lonny Flory played an outstanding game but could not match the well-rounded play of the Champion Greyhounds.

CHARLES PETERS  
Letterman '53

### Handley vs. Comanche

The following week found Handley playing their bi-district game against an extra powerful Comanche team. The Indians could not be stopped and Handley suffered the greatest defeat of its history. Though the Greyhounds were beat by an outstanding score, they never ceased to fight.

# Prophecy

. . . And now we take you to Station HHS-TV for the May 21st, 1964, world premiere of "That Was Your Year" with MARTHA LATHAM as producer and MILBURN ENGELMAN as announcer.

Yes sir, George Mitcham, 1954 was your year. Your first year as head football coach at Handley, the year your team took district, the year the annual was dedicated to you.

A lot can happen in ten years but surely you can remember some of those illustrious 1954 seniors. Like that glamour gal from Oklahoma, KATHERYN ASHER. She's now the model for the little girl that holds the umbrella on the Morton's Iodine Salt Advertisement. We know, Coach, you will recognize the next person as she is now teaching English at Handley. She is WANDA AUSTIN.

Two of that distinguished group of seniors are now on the faculty of the University of Texas. They are VIVIAN BARRETT, head librarian, and TRAVIS POLK, head football coach. At the rival school of Texas A and M STANLEY SCOTT is now head football coach. The teams of those two old high school buddies fought to a tie for the 1964 Southwest conference title.

Other members of the 1954 district team went into sports, too. They are BOBBY LEACH, star fullback for the Greenbay Packers; DOYLE LEE, trainer for the Brooklyn Dodgers; and WILLIAM SMITH, captain of the Olympic basketball team.

Two of those beautiful 1954 senior girls have won beauty prizes since leaving their old alma mater. JACKIE JEAN BOLT was recently elected the prettiest airline hostess in Texas. The former JANET COCHRAN is now Mrs. America of 1964.

The married girls in that class have done quite well, also, in those ten years. SHIRLEY BOEN BRATCHER was recently given the award of "Best Housewife of the Year." DORTHEA COONROD COUCH has just been elected Treasurer of the National Association of Why the Wife Should Get the Change From Her Husband's Pocket. GLENDA NORRIS LAWSON is now an editor of Good Housekeeping Magazine. DELORES LITTLE MARSHALL is considered the leading authority on dishwashing. VETA NELSON ORSBURN has just been elected president of the WMU in her husband's church.

The two outstanding authors of the season were in that HHS class of 1954. They are DURWARD CASH, who wrote the hit Broadway musical, NORTH ATLANTIC, and JAMES PATERSON, who received the 1964 Pulitzer Prize for his essay on "Why People Chew Their Fingernails."

The most traveled member of that dear ole 1954 class is JOHNNY WINTER, who has just returned from a hunting expedition to Africa. Another widely traveled member of that class is SARAH PORTMAN. She is to be commended for her fine missionary work in South America. Another who went into church work is CHARLINE DUNCAN, who is now youth director of First Methodist Church.

We are sure that our TV audience will recognize these next two. They are RICHARD "Hit Parade" ROWLAND, who is the current singing rage and MARION LANCASTER, who took Lefty Frizzell's place. Two others who went into TV are MARTHA LATHAM, TV producer, and MILBURN ENGELMAN, TV announcer. They worked on the show today.

JEANIE DAVIS, co-editor of the Hi-Lite now is in newspaper work. She is society editor of the Fort Worth Star-Telegram. The other Hi-Light editor, NELDA CARUTHERS, is

now head medical research chemist for Globe Laboratory. Another Handleyite in the scientific field is ARTHUR PHILLIPS. Dr. Phillips has just proved that 2 plus 2 doesn't equal 4.

That suave, sophisticated TED FRANKLIN has just been appointed ambassador from the U.S. to Russia.

The children of America would recognize this next person if he were in make-up and costume. He is LARRY FLETCHER, better known as Bingo, head clown for Barnum and Bailey Circus.

This next guy, GARTH DANNEMAN, should come buzzing in, as he just won the National Hot Rod Race in Detroit.

Two of the richest men in Texas graduated from HHS in 1954. They are FRED GWIN, heir to Indian oil wealth, and DONALD CROWELL, who made his money in Texas but invested it well in Las Vegas, Nevada.

Well, Coach Mitcham, ten years has brought success to others of that class, too. Other well-known sport figures are LANELLE BECKHAM, pro ping-pong player; BOBBY EDWARDS, shortstop of Philadelphia Phillies; and BILL PITTS, skater with Los Angeles Red Devils, who won the National Roller Derby.

Two more of that class are now well-known business men. They are DUANE GOTTHARD, President of the National Association of Truck Drivers, and JIM HATFIELD, owner of King's Ranch. Another business man is CECIL PRICE, President of Ford Motor Company.

SHIRLEY HARRIS and MARY MIMS are two of America's best known business women. Shirley is Executive Manager of Matt's Five and Ten. Mary is owner and manager of the Mary Mims Peanut Butter Factory.

Hold your applause please until later. It has just been announced that the next person has received the Oscar award of 1964. She is that celebrated, world-renowned REBA KINSEY..

The secretarial world benefited from the HHS class of 1954. CAROL GRYDER is now secretary to Amon Carter, Jr. and MADGE NEEDHAM is secretary of Tomomichael Plumbing Company.

RONALD SWAFFORD has met with success in his married life, being awarded the title of "Husband of the Year" for 1964.

Another of this group who has been successful in his own hometown is FLOYD ROBERTSON. He is now Director of Instrumental Music for the Fort Worth Public Schools. JACKIE ROBERSON also went into the educational field. He has just been appointed a delegate to the Annual International Public Educational Conference.

ANNE WATSON is a dazzling socialite, having married the richest man in the U.S.

Also, members of that class, Coach Mitcham, were LOIS PARKER, a leading jewelry designer, and ELIZABETH PAS-CHAL, a model.

Now don't everyone get excited. This next person is here purely in an unofficial capacity. He is CLAUDE MCCLAREN, head of the F.B.I.

George Mitcham, that is the entire class of 1954. Doesn't it bring back memories? Well, Coach, that is your past and present. Now to your future. We predict that your teams will continue to win and that your life will be a complete success.

*it's a* FACT!

As you turn these pages today, or on some tomorrow, you will re-live the wonderful times you had "back in the good ole' days" at your Alma Mater. With the passing of years this annual will become a priceless treasure-train to whisk you back along memory lane to rejoin your old friends and re-visit familiar places.

As we at USECO turn these pages, we see the America of tomorrow, the farmers, the lawyers, the doctors, and the many trades and professions so ably represented within these pages. We are honored to have played a part in recording this pictorial history of your 1954 school days . . .  
... and THAT'S A FACT!
